

# Steely Can™ Receptacle

November 2009

With our roots in the landscape and a stated purpose to “Enrich Outdoor Spaces,” Landscape Forms has a special relationship to the natural environment. We have always been mindful that as we design and manufacture products that are acted upon by the environment, we act upon it in turn. Environmental sustainability is completely consistent with our purpose, our goals, our values and our principles. We make stewardship of the environment a vital part of our business.

To learn more about our sustainability initiatives, refer to our [Environmental Statement](#).

## STEELY CAN RECEPTACLE IS MANUFACTURED USING THE FOLLOWING MATERIALS:

| <b>Material</b>                     | <b>Parts</b>                     | <b>Recyclable</b> |
|-------------------------------------|----------------------------------|-------------------|
| stainless steel                     | all parts                        | 100%              |
| <b>Packaging Materials</b>          | <b>Parts</b>                     | <b>Recyclable</b> |
| plastic                             | product bagged to protect finish | 100%              |
| recycled skid                       |                                  | 100%              |
| cardboard with 35% recycled content |                                  | 100%              |

To find local recyclers visit: for steel: [www.recycle-steel.org](http://www.recycle-steel.org); for cardboard: [www.corrugated.org](http://www.corrugated.org).

## LEED®

This product may help achieve the following points under the LEED 2009 Rating System. For specifics regarding rules for the inclusion of furniture, please consult the rating system and reference guide that applies to your project.

### IEQ Prerequisite 2: Environmental Tobacco Smoke (ETS) Control

#### Intent

To prevent or minimize exposure of building occupants, indoor surfaces and ventilation air distribution systems to environmental tobacco smoke (ETS).

Benches, tables, chairs and ash urns help create a designated smoking area 25 feet or more from entries, outdoor air intakes and operable windows to support the intent of this prerequisite.

## Materials and Resources

### MR Credit 4, Recycled Content

#### Intent

To increase demand for building products that incorporate recycled content materials, thereby reducing impacts resulting from extraction and processing of virgin materials.

#### Recycled Content

| Style      | Total | Post Consumer | Pre Consumer |
|------------|-------|---------------|--------------|
| receptacle | 65    | 50            | 15           |

### MR Credit 5, Regional Materials

#### Intent

To increase demand for building materials and products that are extracted and manufactured within the region, thereby supporting the use of indigenous resources and reducing the environmental impacts resulting from transportation.

This product is manufactured in our Kalamazoo, MI facility, zip code 49048. For calculations regarding material extraction, please contact Landscape Forms.

---

## CARE AND MAINTENANCE

Steely Can receptacle is designed and engineered to live a long, useful life in outdoor spaces without the use of chemical cleaners to maintain the finish. The durability, longevity and low maintenance of our products contribute to responsible stewardship of the earth's resources.

Stainless Steel: Clean as needed using a soft cloth or brush with a mild detergent. Avoid steam cleaning, abrasive cleansers, carbon steel brushes/wools and cleaners containing chlorine. Stainless steel cleaners may be used on stainless tabletops to remove stubborn stains.
