napoleon™

The sleek design of the Napoleon Ash Urn provides a discreet solution for uncovered outdoor smoking areas. The gentle taper of the top keeps raindrops from entering the ash pan, which is shaped to protect contents from rain and wind.

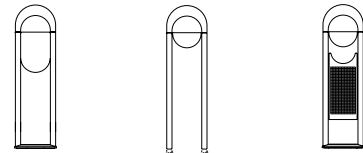

Our Purpose Is To Enrich Outdoor Spaces

We believe in the power of design and its ability to influence and elevate the quality of public space. High quality products and outstanding customer experience makes us one of the world's premier designers and manufacturers of outdoor commercial furnishings.

Napoleon™ Specifications

Napoleon is constructed of cast-molded and extruded aluminum. Two ash pan sizes are offered: 24 oz. or 85 oz. capacity. The ash pan is secured into position, yet easily emptied by a quick lift and rotation. Attached litter receptacle may be specified when 24 oz. ash pan is selected. The perforated aluminum receptacle has 1.56 gallon capacity and is easily removed for emptying; keyed lock optional.
