towne square™

The welcoming gesture of a roll back sofa, the comfort of a gently curved seat, and reflections on a traditional park bench meet in Towne Square.

The Landmark Collection offers three distinct outdoor furniture groups created by award-winning designers and architects and inspired by familiar themes in historic furniture design, architecture and nature. Designer Brian Kane found the familiar in classic metal strap benches and married that traditional motif with state-of-the-art plasma cutting to create what he calls "craft through technology." Towne Square applies Kane's signature vocabulary of forms, from interior furniture to benches and chairs for the exterior urban environment. It renders robust tubular and sheet steel into graceful furniture with a fluid profile and transparency to the surrounding landscape. Optional perforated steel seats lend Towne Square a contemporary character.

Our Purpose Is To Enrich Outdoor Spaces

We believe in the power of design and its ability to influence and elevate the quality of public space. High quality products and outstanding customer experience makes us one of the world's premier designers and manufacturers of outdoor commercial furnishings.

Towne Square™ Bench Specifications

Strap and perforated seat styles offered in 32", 49" or 70" lengths. One divider is available for the 49" bench; the 70" bench, may be specified with two intermediate dividers.

A single panel is formed to make a comfortable seat. Seating panels are vertical steel straps (1-1/2" x 1/8"), or perforated steel. The Towne Square bench comes standard with freestanding glides. Bench may be surface mounted with glides in place.

Finishes

Metal is finished with Landscape Forms' proprietary Pangard II® polyester powdercoat, a hard yet flexible finish that resists rusting, chipping, peeling and fading. Call for standard color chart.

To Specify:

Specify bench length, vertical strap or perforated seat style, with or without center/intermediate dividers, and powdercoat color.
