

petoskey bench

materials / colors

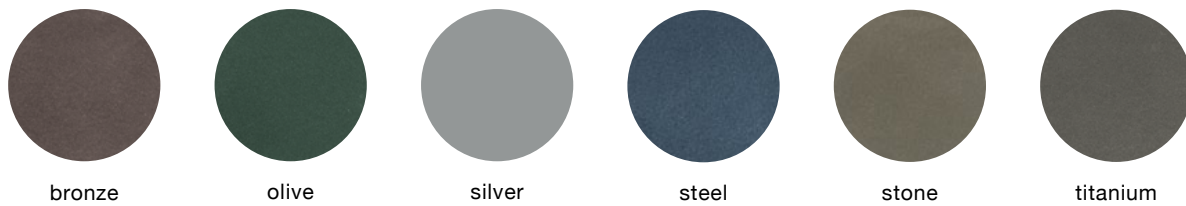

IMPORTANT NOTE: Standard choices are shown; colors are approximate. To make final color selections, please call for material samples.

powdercoated metal

In addition to colors shown below, a wide selection of optional and custom colors may be specified for an upcharge.

metallic

wood

Exterior woods weather to a warm, pewter gray; no finish is applied so no maintenance is required. Options: ipe, black locust, purpleheart and oak may be specified as FSC® certified (may extend lead times). Special stain may be specified for interior woods. Pricing for standard woods and options varies, see Price Book. (P) = Premium Woods
