Our Purpose Is To Enrich Outdoor Spaces

We believe in the power of design and its ability to influence and elevate the quality of public space. High quality products and outstanding customer experience makes us one of the world's premier designers and manufacturers of outdoor commercial furnishings.

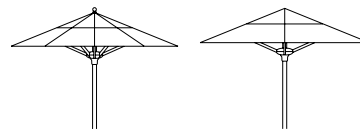

Marketplace umbrella features Sunbrella® marine-grade fabric, with a stain resistant finish that requires little care. The 9-foot octagonal umbrella is recommended for use with our Carousel or 42" diameter

Landscape Forms tables, while the 6-foot square model is suggested for use with smaller tables. Both umbrellas feature easy, push-up opening.

Marketplace Specifications

Marketplace umbrella features 2-piece Asian wood poles and framework; all fasteners and pole connectors have brass covers and are coated steel. The 9-foot umbrella features a hardwood finial. Choose from our selection of three marine-grade Sunbrella® fabric colors: Forest Green, Burgundy or Oyster. Optional colors are available for an upcharge. Sunbrella® marine-grade, 100% solution-dyed fiber is treated for a high degree of fade-resistance, is mildew proof, and meets California Technical Bulletin #117 Section E (CS-191-53). Fabric umbrellas are subject to damage from high winds; we recommend lowering Marketplace at night and in windy conditions. Umbrella is 98" tall when installed.
