

Rosa™
February 2011

With our roots in the landscape and a stated purpose to “Enrich Outdoor Spaces,” Landscape Forms has a special relationship to the natural environment. We have always been mindful that as we design and manufacture products that are acted upon by the environment, we act upon it in turn. Environmental sustainability is completely consistent with our purpose, our goals, our values and our principles. We make stewardship of the environment a vital part of our business.

To learn more about our sustainability initiatives, refer to our [Environmental Statement](#).

ROSA IS MANUFACTURED USING THE FOLLOWING MATERIALS:

Material linear medium density polyethylene	Parts complete unit	Recyclable 100%
Recycled Content		
Style planter	Total 0	Post Consumer 0
		Pre Consumer 0
Packaging Materials	Parts	Recyclable
plastic	product bagged to protect finish	100%
recycled skid		100%
cardboard with 35% recycled content		100%

To find local recyclers visit: for steel: www.recycle-steel.org; for cardboard: www.corrugated.org.

LEED®

This product may help achieve the following points under the LEED 2009 Rating System. For specifics regarding rules for the inclusion of furniture, please consult the rating system and reference guide that applies to your project.

Materials and Resources

MR Credit 5, Regional Materials

Intent

To increase demand for building materials and products that are extracted and manufactured within the region, thereby supporting the use of indigenous resources and reducing the environmental impacts resulting from transportation.

This product is manufactured in our Dunkirk, OH facility, zip code 45836. For calculations regarding material extraction, please contact Landscape Forms.

CARE AND MAINTENANCE

Rosa is designed and engineered to live a long, useful life in outdoor spaces without the use of chemical cleaners to maintain the finish. The durability, longevity and low maintenance of our products contribute to responsible stewardship of the earth's resources.

Polyethylene: Wash surface with all-purpose soap and water. Rinse well. For more stubborn stains apply Scrubbing Bubbles® according to manufacturer's directions. Wipe dry with clean cloth.
