

# Parallel 42 Planters

landscapeforms

## Product Data Sheet

Parallel 42 planters are designed to integrate seamlessly with the line's 30° bench modules or stand alone as biophilic space defining elements. Whether used to complement seating with greenery, break up open areas, outline social gathering points, or establish semi-private respite spaces, these versatile pieces serve as functional and aesthetic building blocks for designers to realize their unique visions.

### Planters

- Parallel 30° planters are available in a range of depths, lengths and styles. Each planter is offered in short (20") and tall (31") height options.
- Planters come standard with drain plug that can be removed and reinstalled based on the user's preference.
- Available in freestanding only.
- Constructed from powdercoated carbon steel.
- Planters can be configured together or with other 30° bench modules from the Parallel 42 line.
- Planters are internally sealed with gaskets. They do not have liners.
- Capacity ranges from 28.3-497.4 GAL.

### Finishes

- All metal is finished with Landscape Forms' proprietary Pangard II polyester powdercoat, a hard yet flexible finish that resists rusting, chipping, peeling and fading.
- A wide range of standard, optional and custom colors are available.

### To Specify

- Select planter style and powdercoat metal color.
