

Take-Out

landscapeforms

Product Data Sheet

Designed by Rodrigo Torres, Take-Out is a flexible system of connected seating that empowers designers to shape responsive, people-focused outdoor spaces with ease. A family of silhouettes—including single, double, tall, wedge, triple, wheelchair-accessible and K-5 school scaled units—can be arranged, joined or repositioned to suit the mood, setting and purpose of the moment. From casual sidewalk cafés to schoolyards, corporate campuses and communal hospitality settings, Take-Out adapts effortlessly and encourages users to do the same. Lightweight, durable and intuitively configurable, Take-Out is a versatile tool for creating outdoor environments that feel welcoming, adaptable and alive.

Connected Seating

- Take-Out's minimalist form is designed to maximize its function, comfort and accessibility.
- Take-Out is a table with connected seating, available in a range of silhouettes and styles.
- Silhouette styles available include the Take-Out mini, Take-Out table, Take-Out tall, and Take-Out wedge.
- The mini is available in a double style.
- The table is available in a single, double, triple, left triple, and right triple style.
- The tall is available in a double style.
- The wedge is available in a double style
- It was designed with flexibility in mind, light enough to be picked up, arranged and rearranged.
- Table tops, and seats are made of powdercoated sheet steel.
- Optional connector brackets powdercoated to match the support are available for all styles to connect single units into picnic-style arrangements.
- Left/Right Triple units that are paired in a picnic configuration (with and without umbrella hole) must consist of one Left Triple and one Right Triple version
- Optional umbrella holes are available for picnic-style arrangements on all silhouettes except for the single.
- The support frame is comprised of powdercoated extruded aluminum.
- All styles come standard with two (2) bag hooks, each comprised of gray plastic.
- The Left Triple and Right Triple units are wheelchair accessible.
- Take-Out is available either freestanding or surface mounted.
- **Note:** If umbrella hole is specified the table must be surface mounted and an umbrella stand and connector brackets must be ordered.
- Supports are fitted with nylon glides for enhanced mobility and durability in rearranging freestanding units.
- Take-Out ships fully assembled.

Take-Out Mini					
	Style	Depth	Length	Height	Product Weight
	Double	32.5"	44.5"	25.75"	92 lbs

Take-Out Table					
	Style	Depth	Length	Height	Product Weight
	Single	37.5"	30.25"	30"	72 lbs
	Double	37.5"	52.5"	30"	125 lbs

Product Data Sheet

Finishes

- All metal is finished with Landscape Forms' proprietary Pangard II® polyester powdercoat, a hard yet flexible finish that resists rusting, chipping, peeling, and fading.
- A wide range of standard, optional and custom colors are available.

To Specify

- Specify Take-Out connected seating and select style (mini, single, double, tall, triple, left triple, right triple, or wedge). If applicable, select optional connector brackets and/or umbrella hole. Choose powdercoat color and mounting option (freestanding or surface mount). If umbrella hole is specified, the table must be surface mounted. All units come standard with two (2) bag hooks. Take-Out ships fully assembled.
