

landscapeforms®

catena™ chair

Our Purpose Is To Enrich Outdoor Spaces

We believe in the power of design and its ability to influence and elevate the quality of public space. High quality products and outstanding customer experience makes us one of the world's premier designers and manufacturers of outdoor commercial furnishings.

Catena™ Specifications

The frame of the Catena chair is formed of 7/8" diameter aluminum. The seat is cast aluminum with a 17 1/2" seat height. Spindles are stainless steel. Chairs are stackable.

All metal parts are finished with Landscape Forms' exclusive Pangard II® polyester powdercoat, a hard yet flexible, finishing process that resists rusting, chipping, peeling and fading. Call for standard color chart.

Catena chairs meet ANSI/BIFMA performance and safety standards.

23" x 21" x 31"

d x w x h

Catena chairs offer graceful styling that complements a variety of settings, from traditional to contemporary. Engineered for active exterior use, Catena is recommended for

commercial and high-traffic spaces. Catena was designed to coordinate with Catena tables, and can be paired nicely with other Landscape Forms furnishings.

To Specify

Specify Catena chair and powdercoat color.
