

Product Data Sheet

Hebi takes its name from the Japanese word for snake. Its sinuous form stretches and curves among trees and shade, through parks and squares. An elegant bench for large-scale projects, it is available in straight and curved sections for creating configurations suited to the site.

Bench

- Hebi is a reinforced cast stone backless bench with an extruded shape.
- Its acid-etched/waterproof finish is available in Grey, Black, White and Beige.
- It features solid or bridged sections that can be mixed with curved sections.
- If bridged, the bench must be embedded, while the solid sections can be freestanding or embedded.

Material

- For the bridged version, reinforced cast stone is poured and cast over an iron re-bar cage built to fit within the walls of the mold.
- Reinforced cast stone makes it possible to cast thinner, irregularly shaped forms while retaining appropriate strength.
- The colors of Escofet cast stone products are neutral, muted and earth-toned and are derived from the aggregates used in casting.
- No color is added in manufacture and no color is applied to finished products.
- The color range of every Escofet cast stone product is pre-determined by the formulation used in its manufacture.
- Cast stone products do not require any specific maintenance during their estimated lifespan of more than 30 years.
- Water absorption and freeze-thaw cycles can cause weathering, a reproduction of the process that takes place in natural rock.
- Escofet applies a waterproof finish to its products to protect against this process.
- Escofet cast stone products are large and heavy.
- Shipping, receiving, staging and installing these pieces is more akin to handling large statuary or pre-fabricated architectural elements.
- See installation guide for important information.

Hebi	Style	Depth	Width	Height	Weight
	Straight Solid	28"	114"	18"	3,858 lbs
	Curved Solid	43"	120"	18"	3,858 lbs
	Straight Bridged	28"	114"	18"	2,094 lbs
	Curved Bridged	43"	120"	18"	2,094 lbs

Product Data Sheet

Product Warranty

- ESCOFET warrants the durability of its product to Landscape Forms for a period of five (5) years from the date of invoice.
- The warranty covers the repair or replacement of the product or components at no charge.
- Notwithstanding, this warranty does not cover damages to ESCOFET products resulting from unloading; handling; installation; abuse; exposure to paint, liquids or corrosives; or any other damage not attributable to ESCOFET.
- The warranty shall also be void if ESCOFET products are tampered with, handled, removed or modified by persons not authorized by ESCOFET; or if the product has not been properly maintained by the customer.

To Specify

- To order, specify Hebi, and number of curved or straight sections.
- Select number of bridged or solid sections.
- Solid benches are freestanding, bridged benches must be embedded.
- Select standard color.
- See materials/color sheet for standard color options.
