

Northport Planter

landscapeforms®

Product Data Sheet

Northport Collection planters feature robust rotomolded bodies set inside curved frames that offer a modern reinterpretation of early 20th century decorative ironwork. The planters are available in two sizes with cast aluminum legs and lower rings, and aluminum casting tops. Northport planters are freestanding only.

Planter

- Northport planter is a robust round rotomolded planter.
- Available in two styles – small and large.
 - The small planter has a 25.7 gallon capacity (3.4 cu ft)
 - The large planter has a 52.2 gallon capacity (7 cu ft)
- Supports are comprised of cast aluminum legs with a formed steel ring and top.
- Black polyethylene liner ships with each unit.
- Planter comes standard with no drain holes.
- The planters are only available freestanding.
- Northport planters ship fully assembled.

Finishes

- All metal is finished with Landscape Forms' proprietary Pangard II® polyester powdercoat, a hard yet flexible finish that resists rusting, chipping, peeling and fading.
- A wide range of standard, optional and custom colors are available.

Finishes

- Specify Northport planter and select style (small or large). Choose powdercoat color for support base. Planters come standard with a black rotomolded body and is freestanding. Northport planter ships fully assembled.
