

## Product Data Sheet

Solstice performs variations on the shape of shade. Cygnus hovers, gesturing gracefully. Altair quietly shields with a traditional form. All styles are highly durable, wind and weather resistant, and maintenance free. They are as elegant on the inside as they are out; as whimsical and colorful as the setting calls them to be.

### Solstice™

- Solstice shade panels are solid or perforated aluminum, mounted in an extruded aluminum frame.
- Struts are extruded aluminum.
- Top cap, strut ring and end caps are aluminum castings.
- Surface mount stand is steel.

### Mounting Options

- When used with a Landscape Forms table, Solstice must be mounted to the table, which in turn must be mounted to, or embedded in, a hard surface.
- If used with a table other than those offered by Landscape Forms, Solstice must be anchored to our surface-mounted stand.
- Solstice may also be used without a table, but must be secured in our surface-mounted stand.

### Panel Mount

- Aluminum panels are mounted in notched, extruded aluminum frame pieces.
- End caps are aluminum castings.

### Surface Mount

- Stand includes two stainless steel bolts to hold the Solstice pole in place and must be used when Solstice sun shade is not mounted to a Landscape Forms table.
- Anchoring hardware not included.

	Style Diameter	Diameter	Height	Product Weight
	Altair	87"	91"	77 lb
	Cygnus	91"	91"	85 lb

## Product Data Sheet

### Metal Finishes

- All metal parts are finished with Landscape Forms' exclusive Pangard II® polyester powdercoat – a hard, yet flexible, finishing process that resists rusting, chipping, peeling and fading.

### To Specify

- Specify Altair or Cygnus sun shade.
- Select perforated or solid panels, and powdercoat color(s).
- Specify to mount in Landscape Forms surface mount or embedded table.
- Specify surface mount stand if using with table other than those supplied by Landscape Forms, or if used without a table.
- Specify color for stand.
